

Budget Tips

A Home budget can help you:

- Limit spending to a minimum in each category
- Keep track of purchases, when and where.
- Help cut back on impulse purchases.
- Pay off outstanding debts.
- Determine whether or not you can afford that new car, boat, plasma TV, etc.

Some easy tips to help you control your expenditure:

- The simple rule: If you don't need it, don't buy it.
- Take your own lunch to work.
- Try to limit withdrawals from ATM's.
- Try to do your shopping once a week. Additional trips during the week can result in impulse buys, and things you don't essentially need.
- Turn off appliances, unnecessary lights, driers, heaters and air conditioners when not being used.
- Dripping or leaking taps should be fixed.
